Holiday Shopping Overview:

The City of Toronto, Municipal Code Chapter 510, generally requires retail stores to be closed on the following designated retail holidays:

New Year's Day;
Family Day;
Good Friday;
Easter Sunday;
Victoria Day;
Canada Day;
Labour Day;
Thanksgiving Day; and
Christmas Day.

However, there are a wide variety of exemptions by type of retail business and geographic areas within the City of Toronto.

Holiday Shopping Public Consultation Purpose:

The purpose of these meetings is to clarify concerns, opportunities and common ground with BIA stakeholders.

Options to be considered include:

- 1) Status quo. Maintain requirements for retail stores to close on Public Holidays with exemptions as currently permitted.
- 2) Remove restrictions and permit stores to be open on Public Holidays at the discretion of the owner/manager.
- 3) Identify specific geographic areas of the city to be exempted from Municipal Code Chapter 510.
- 4) Amend Municipal Code, Chapter 510 to permit retail areas to apply to the City for exemption.

Additional consultations with other stakeholders will be conducted through this process.
